Mattapoisett Council on Aging

There seems to be some misinformation about our Minibus trips. We will continue to operate the Minibus as we have in the past, with Delia Caton driving the Minibus locally for the Nutrition Program and the Friday shopping trip. Our town appropriation has been reduced, and so for the present we are making only one long trip a week, while watching our budget. These special trips are being handled by volunteer drivers, and we request that anyone who would like to volunteer to drive the Minibus should contact our C.O.A. office (758-3758) and if qualified, his (or her) help would be greatly appreciated.

Harold Roeder, our helpful co-ordinator of trips, wants to inform you that he has scheduled a big bus trip (jointly with Fairhaven A.A.R.P.) for Tuesday, August 3, for a tour of Inner and Outer Boston Harbor. Bus will leave the Fairhaven Fire Station at 8:45 a.m.

and the deadline for reservations and money is July 25. The price of the trip includes bus fare, luncheon on the boat, and boat fare. Checks are to be made out to Harold Roeder. Cost and any further details may be obtained by phone (758-3758) or a visit to our office at the Town Hall. Those of us who have made this trip have found it most enjoyable.

Our joint bus trip to Gloucester scheduled for last Friday had to be cancelled because we did not have a full bus. We know many were disappointed, and we feel that it was partly our fault because of poor publicity and scheduling the trip in a busy week. Therefore, Harold Roeder has rescheduled this trip for Thursday, August 26. The cost of the trip includes big bus to Boston, boat ride to Rocky Point, Gloucester, and meal at Rocky Point. This is an advance notice, and we will include it with a listing on our August schedule of trips.

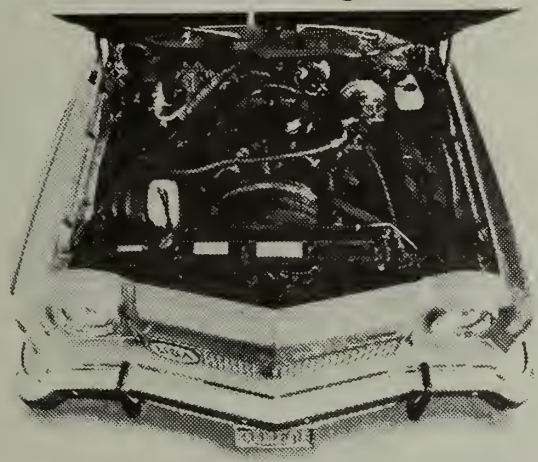
A dirty cooling system is destroying this engine and you can't even see the damage.



There's more to your car's cooling system than meets the eye. In fact, the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

Your automobile manufacturer recommends cooling system maintenance on a regular basis, so act now. Because when you can see the damage it'll be too late.

WOMAN'S CLUB AWARDS SCHOLARSHIPS

The Scholarship Committee of the Rochester Woman's Club held a Ham and Bean Supper at the clubhouse on June 12th to introduce this year's scholarship recipients and to raise funds for future scholarships. Local Girl Scouts assisted in serving the supper.

Club President Jane Taylor presented $200. scholarships each to Lisa Johnson, daughter of Allen and Barbara Johnson; and to Peter Mandeville, son of Roger and Pauline Mandeville. A $200. scholarship in memory of former club member Bernice Hardy was presented to Deborah Anne Gayoski, daughter of Thomas, Jr. and Dorothy Gayoski. Katherine and George Church were also honored. They were presented a Certificate of Recognition for their "contributions of generous and dedicated service that have insured the continued growth of" the Woman's Club.

Miss Johnson graduated from Old Colony Regional Vocational Technical High School. While there, she was a member of V.I.C.A., finalist in the Data Processing Competition for 1981 and a member of the Student Council. She represented Old Colony at the Regional Student Advisory Council and was Student Representative to the D.P. Advisory Board. She was senior class treasurer, yearbook co-editor and timekeeper for the soccer and basketball teams. She will attend Salem State College studying Business Management and Computer Science.

When you think of owning a new car is this the new car you think of owning?

A lot of people take one look at the rates for an auto loan and say, forget it. But here at Fairhaven Savings the rates are the lowest they've been in months, so maybe you can afford the car you really want.

Particularly since we ask for only 20% down. As opposed to 30% at many other places. And you have four years to pay. Not three. Once you have filled out the application, you can get the cash in 24 hours. We even have a telephone hotline to call to get the wheels turning. Call 999-7000.

Look at it this way. Now that Fairhaven has brought down the rates, all you have to do is come up with the car.

Put Your "Idle Assets" to work at Plymouth Savings®

Your IDLE ASSETS can now work for you at Plymouth Savings Bank. Most of us have a valuable asset which we pay little attention to—the cash value of your life insurance is available at a low rate of interest, usually 5 to 6%.

The IDLE ASSETS Program evaluates the cash you have available and shows you how this money can earn interest for you in an IDLE ASSETS Certificate of Deposit for 30 months.

Example: If you have $5000 of cash value in your life insurance that you can borrow at a 5% interest rate, you can deposit that amount in an IDLE ASSETS Certificate of Deposit and not reduce your life insurance coverage one bit. At the current rate* of 11% for 2½ years, this represents a gain of 6% or $300 per year. Over the span of 2½ years you will have realized a gain of $750., while being provided with additional life insurance for the full 2½ year term in the amount of your certificate. Certificates are available in amounts of $1,000 to $10,000. Plymouth Savings has set up a special department to help you earn more with your IDLE ASSETS.

most impossible to drive your car through the park without damaging it due to the gigantic potholes. I've been told that the driveways were intentionally left unrepaired to slow down the reckless drivers but a lot of people I've seen just drive over the lawn to avoid damage to their car.

What really concerns me is the people who willfully vandalize the park. I, as a citizen of Mattapoisett, would like to ask fellow citizens to help take a stand in preventing the vandalism and stopping the reckless activities that sometimes take place there. I understand that local authorities can't be responsible for placing a permanent law enforcement individual at the park so that leaves it up to us...the Mattapoisett citizens who enjoy Veterans' Park. People who witness "wrong doing" at the park "shouldn't look the other way", but to register a complaint with our local police authorities.

Another alternative would be to install a TV camera with a monitor at police headquarters to monitor activities at the park (the same for the town wharf too). A system of this nature would be relatively inexpensive as compared to the cost of repairs as a result of vandalism. I, being in the electronics industry, would be willing to donate my time for the installation of such a system. This alternative, however, should not be necessary if we citizens get serious about preserving the peace, tranquility, and beauty of Veterans' Park.

In taking the first step I would like to see comments and suggestions via the Presto Press in organizing a clean-up day at Shipyard Park. I'll be there.

Thank You

We want to thank so many people here in Mattapoisett for the care and concern they showed to each of us during the time of Allison's accident and the trying days that followed. Your many prayers and kindnesses were really appreciated and surely helped us all get through these first weeks with hope and courage. The quick initial response and efficient care that Allison received from our EMT's and police officers on that day of the accident must receive only our highest praise. Our sincere thanks to you all.

THE COMMONWEALTH OF MASSACHUSETTS

In the Year One Thousand Nine Hundred and Sixty-one.

RESOLUTIONS COMMENDING
GEORGE CORREA, of MATTAPOISETT

The town of Mattapoisett, formerly part of the town of Rochester, was incorporated on May 20, 1857 and from that date to the present has enjoyed waterfront facilities denied to so many of our towns in this Commonwealth.

The political atmosphere of this area for the first seventy-five years following its incorporation was controlled by the Republican Party with few exceptions.

After the victorious campaign for Governor of the late Honorable James M. Curley, GEORGE CORREA moved in to this Republican stronghold and since that day his organization technique has brought about a complete change in the political atmosphere with the result that now the Democratic Party can count on him and his followers to make a respectable showing on election day. Because of his intense desire to build the Democratic Party in this part of our Commonwealth, at great expense and personal sacrifice he has been a candidate for the office of representative and also state senator and although he was not successful, as was to be expected in either of these contests, he kept the flame of Democracy aglow and aroused the citizenry of this locale.

His constant efforts in behalf of the rank and file have earned for him an everlasting vote of thanks for his loyalty to the Democratic Party and particularly to me in my victorious campaign of 1960.

NOW, THEREFORE, I, Kevin H. White, Secretary of the Commonwealth of Massachusetts, do hereby salute

GEORGE CORREA

as Mr. Democrat of his district for his unswerving devotion to the Democratic Party and personal friendship toward me and urge all the citizens of his area to join with me in saying, "Well done thou good and faithful servant".

GIVEN at the Office of the Secretary of the Commonwealth of Massachusetts, this twenty-fourth day of October, in the year of our Lord one thousand nine hundred and sixty-one and of the Independence of the United States of America the one hundred and eighty-sixth.

Kevin H. White

Plumb Library Friends

Despite the rain, the book sale and raffle by the Friends of the Joseph H. Plumb Library on Saturday, June 19th, was a huge success. Browsers and buyers of all ages perused the varied selection of books on the lawn in front of the Joseph Plumb Library in Rochester. There was also a delightful selection of baked goods which rapidly were sold to hungry customers.

The Friends of the Joseph H. Plumb Library was recently formed by some interested Rochester residents who wanted to reach more residents of the town in the hopes that the Library would be used more and to also begin to add research materials such as encyclopedias and atlases. The Library was a gift to the town of Rochester by Mrs. Joseph H. Plumb in memory of her husband.

The Friends are currently scheduling some varied library activities for the late summer and fall. If anyone is interested in joining the Friends, please contact Marilyn Whalley or Cathy Roberts at 763-8356 or 763-5260.

SIXTH GRADERS PRESENT "OLIVER!"

The sixth grade at Rochester Memorial School presented "Oliver!" on June 16 and 17. Michael Cambra, sixth grade teacher, directed the play, with the help of Rita Cain, musical director. Billy Raynor had the lead as Oliver, while Carrie Meunier played the Artful Dodger, Mark MacGregor was Fagin, Rebecca Fuller was Nancy, and Chris LeBlanc was Bill Sykes. Each student in the sixth grade participated in some aspect of the production, and this joint effort succeeded in making the play a memorable one.

COLONIAL WEEK FOR FOURTH GRADERS

June 7 - 11 was Colonial Week for the fourth graders at Rochester Memorial School. Planned and organized by teachers Susan Keane, Carol Hardy, and Ann Fournier, this experience with the past was carried out with the help of many interested parents and adults from the area. The Colonial experience included activities such as quilting, rug hooking and braiding, cooking, woodworking, candlemaking, toymaking, knitting, and education. Each child became a specialist in one area, created a product to keep, and recorded his experiences in pictures and words to be incorporated in a "Colonial Days 1982" book.

In addition, each child went on a mini-field trip to view first-hand some form of Colonial history. Trips were to Colonial Candle Company in Hyannis, the Whaling Museum in New Bedford, historic sites in Avon, Scituate, and Plymouth, Long Plain Museum in Acushnet, Tremont Nail Company in Wareham, and to a private home to view sheep shearing, the process of making wool into yarn, and an herb garden. They also heard an excellent retelling of Rochester's own Colonial history.

Friday, the 11th, served as a culmination of the week's activities. The "cooks" served their Colonial dishes on a table and bench set made by the "woodworkers". The table was set with trenchers (hand-carved dishes) and decorated with the "candlemakers'" candles. A museum was set up with displays from the field trips, and reports and products from their activities. These included a hand-stitched quilt, hornbooks, various toys, knitted chair pads, and samples of braided and hooked rugs.

One group of students also presented a skit based on a fourth grade lesson taken from the Fourth McGuffey Reader. After the skit, the children participated in some Colonial games such as leap frog, hopscotch, and a feather blowing relay.

At the end of the day, each child was awarded a certificate to keep and serve as a remembrance of this very successful week in which he was "transported" back to the past.

The teams involved were: [illegible] 1st; Karen Porter, 2nd; Donna Tyson, 3rd; Briggs Insuran[illegible]th; Kate Dawson, 5th; 11 and 12: Margvice Station; a[illegible]Tiffany Rebello, 2nd; Ma[illegible]th DeCoffe. sored by Mattapoisett Inn.

The two teams played the best out of 3 series, a game Saturday night and 2 games Sunday.

This event will be the first of many to be sponsored by the Mattapoisett 3 organization. Events to come are Mattapoisett 3 Invitational Golf Tournament, Miniature Golf Tournament and Bowling Tournament.

In the first game, July 3, Saturday night at Center School both teams had outstanding defense and offense.

After 3 bad innings by Mattapoisett 3 Vin Walker got his boys together and the next 4 innings were the best his team ever had. In the top of the 7th inning Steve Rodel hit a line shot double which scored 2 runs which took the first game. The final score was Mattapoisett 3, 11; Mattapoisett Inn, 10. The winning pitcher was Gary LeBlanc.

In game 2 Sunday morning at Center School Mattapoisett 3 continued to roll on with clutch hitting and fielding. Mattapoisett 3 took the second game and clinched the tournament between the two bottom teams in the Capeway League by the score

of 13 to 6. Gary LeBlanc was the winning pitcher.

It was decided to play the third game for the fun of it. The Mattapoisett 3 team made a commitment that if they won they would make a donation to the team organization's favorite charity.

Mattapoisett 3 won and made a 3 game sweep by strong pitching by Bruce Mathieson. Mathieson was noted as saying after the game, "My catcher and my defense behind me won it for me, not my pitching. I just threw the ball over the plate and let them hit it. I depend a lot on my defense." Mathieson walked only one batter throughout the game, compared to Mattapoisett 3's average of 7 a game. The final score was Mattapoisett 3, 10; Mattapoisett Inn, 8. Bruce Mathieson was the winning pitcher.

Softball Bash

MATTAPOISETT INN VS. KILROYS PUB

On the weekend of June 26th and 27th the Mattapoisett Inn softball team members and friends were the guests of the San Souci Inn and Stowe, Vermont.

With the Mattapoisett team supplying the steamers and linguica and the Stowe team supplying the beer and a beautiful mountain setting by the pool, an outstanding clamboil was enjoyed by all on Saturday. That evening the San Soucci Inn and friends showed the Mattapoisett contingent a night they surely will not forget.

Sunday, the double header was played under a brilliant blue sky and the kelly

green backdrop of Mount Mansfield. Mattapoisett broke out early thanks to the batting heroics of Alan "Stretch" Boling, Jim "Pretty Boy" Hennessey, and Tim "Kamakazi" Bunnewith, coasting to a 10-3 victory.

The second game was a different matter as the Sans Soucci team (also known as Kilroy's Pub, the name of the lounge in the San Soucci Inn) hung tough. Great pitching by Chips "Tarball" Fletcher and Billy Beer Fletcher and good hitting by Paul "B.F.G." Cassel kept this game close. Mattapoisett Inn did finally squeeze out the victory 5-3 with outstanding relief by Dick "The Pencil" Perry.

ADULT WORKSHOP-WRITE WORKSHOP

The "What to Write Workshop" will be a two hour session of useful suggestions, exercises, games and methods of pulling out the surprising stories and impressions that are hidden in us all. This workshop is meant to help those who have a creative bend in this direction but who are stumped by "What to Write". It is also for those who like to write but who sometimes have trouble dissolving the "writer's block".

This workshop will exercise our memory muscles, help us to analyze first impressions and learn to be objective and creative about everyday occurrences. It will also discuss the importance of writing as a personal release and suggest how this type of expression can be channeled into material for publication. It will be held at the Children's Museum, 100 Old Westport Road, North Dartmouth, from 10:00 to 12:00 and will be conducted by Mrs. Ann Barrow. The date is this Saturday, July 17th; please call to register in advance, 993-3361. There is a fee.

STAR ANIMATION

The Children's Museum is very fortunate to have on its Board of Trustees a man of such varied talents as Mr. Gerry Dyck. On Saturday, July 17th, many of those talents will combine in Mr. Dyck's very entertaining program, "Star Animation". Have you ever seen stars explode or move with the naked eye? Mr. Dyck gives rare glimpses of action which takes place in the heavens along with some very funny side excursions. This program is open to all ages and there is a small charge for non-members. The program starts at 2:00 p.m.; please join us for some great entertainment on July 17th.

Wampanoag women will spend the morning of this joyful celebration preparing the wedding feast of corn, fish and fowl.

At midday, the Wampanoag tribe, dressed in their finest deerskins, will come together and form a circle around the couple as the Sachem pronounces them husband and wife.

The bride will wear a white deerskin skirt decorated with porcupine quills and shell beads. Members of the tribe will present the bride with household goods - woven mats, baskets, animal skins and knives.

After the ceremony, visitors will be invited to join the Wampanoags in their festive songs and dances as they celebrate the prospect of future generations.
